

ETS 1700

Part no.: 906628

Product description: ETS 1701-100-000

Characteristic	Value / Characteristic / Information
Additional interface	0..10V; 4..20mA (2-conductor)
Approval	no
Display	Yes
Number of switching points	4
Temperature range max value	100,0
Temperature range min value	0,0
Temperature sensor	separate
Temperature sensor length	0,0 mm
