

ENS 3000

Part no.: 909207

Product description: ENS 3216-2-0250-000-K

Characteristic	Value / Characteristic / Information
Additional interface	no
Approval	UL Approval
Display	Yes
Electrical connection	M12x1, 4 pole
Integrated temperature sensor	no
Measuring principle	Capacitive
Measuring range	250
Mechanical connection	Pipe 22 mm
Number of switching points	2
